AN ICONIC VENUE

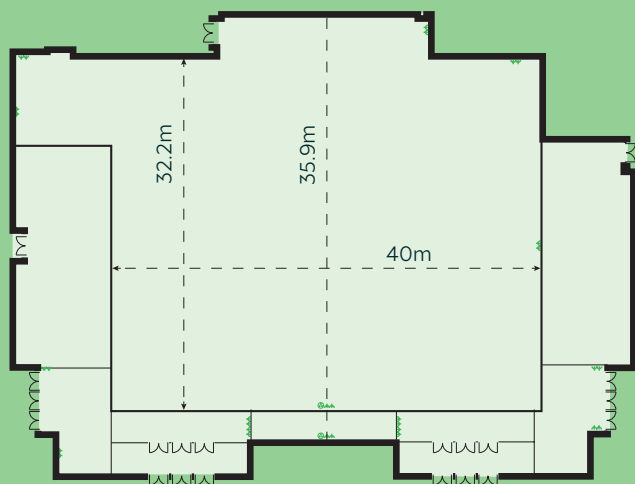

## THE CENTAUR

For larger events, The Centaur has the wow factor. It has played host to award ceremonies, exhibitions and live events including World Championship Snooker, Paul Weller, and Jools Holland, and can morph seamlessly from a theatre style auditorium for 2200 people to a dinner dance for 610 or a vibrant exhibition space.

Its versatility is endless and it offers the largest single event space in the local area.

It has its own separate kitchen, with our award-winning catering team ready to create and serve your bespoke menus. Our experienced technical team use state-of-the-art lighting and AV equipment to bring your unique ideas to life.
